

Information on Coronavirus

Measures in School

We are working really hard with the children teaching them the importance of washing hands properly. In addition to this we are ensuring that every class has tissues and are encouraging any children with a cold to use these, and to “catch it, bin it, kill it.”

We understand that washing hands perhaps more than usual could result in sore hands, and at this time only we are permitting children to bring hand cream into school under the teachers direction. This must be clearly labelled with your child’s name and class number, and is for their use only— NOT to be shared with friends.

Illness

If your child, or anyone in your household, is showing any signs of a persistent cough or fever, please keep them off school for 7 days and take advice either from the NHS website or the Department of Education Coronavirus Helpline on 0800 0468687 (Monday to Friday 8am-6pm).

Information can also be found at:

dfc.coronavirushelpline@education.gov.uk

Parents in School

As a precaution, we are postponing all in school events until Easter so there will be no “Stay and Learns,” Adult Learning, Easter Bingo or Parent Consultation Evenings.

Trips

We are also reviewing all trips out which are planned for the next 3 weeks. You will be notified of any changes as soon as information is available by class dojo and on the school website.

In accordance with current government advice, Northstead School will remain open until advised otherwise.

Mr J Lidgley
