

Pupils arriving late

We have seen an increasing number of children arriving late for school. Please make every effort to ensure your child arrives at school on time (between 8:30 and 8:40). **The school day officially begins at 8.45 a.m. This is when children should be sat in class ready to learn.**

Lateness can cause numerous disruptions to the whole class and lead to lost learning, especially when pupils are regularly late.

Pupils who arrive after 8.45 a.m. will automatically receive a late mark. Your co-operation would be greatly appreciated.

Keeping your children safe

We have noticed many children playing and swinging on the kitchen railings next to the staff car park while families are queuing for the gates to open. Please encourage your child not to play on these railings as we do not want any injuries to occur.

Please could you also talk to your children to discourage them from climbing on playground equipment, tables, benches and the walls at the front of the building.

Thank you for your cooperation in this matter.
