

Message from the Headteacher

Another great term at Northstead has come to an end and I find myself with only one term remaining of my time here. Much work has been going on behind the scenes to improve school and I am especially impressed with improvements in the teaching and learning of PSHE (personal, social and health education) right across the school. This has led to some excellent improvements in terms of children's understanding of how to stay safe, the importance of positive relationships and to celebrate the differences we all have.

This term has been challenging again on a staffing level because of various illnesses, it is with pleasure that I thank each and every one of our staff who have moved classrooms at the last minute, taken two classes together or moved their time around to benefit the children in school. Our staff are a wonderfully talented, dedicated and unselfish bunch of people who care greatly about our children, our school, each other and the community. They truly are a delight to work alongside as their headteacher.

Today we welcomed Miss Phipps back to school following maternity leave. Miss Phipps will work across school in the first instance.

Following Mr Hopper's appointment as Headteacher from September 2022, we are delighted to announce that Mrs Linsdell (Curriculum and Progress), Mrs Valancius (Personal Development, Behaviour and Attitudes) and Miss Phipps (Teaching and Learning) have all been appointed as Assistant Headteachers from September. We wish them well in their roles and look forward to them contributing further to the school improvement going forward.

Mrs Charlotte Helm has been appointed as SENCO from September with Mrs Viney strategically leading inclusion across school.

On another note, on Friday 29th April, we say goodbye to Ms Fraser who has worked with us for a number of years as a teaching assistant and provided valuable support and assistance to our children. We wish her all the best in her future career.
