

We look forward to welcoming all families in our community to our school fair on Monday 18th July from 3pm onwards. There will be a variety of stalls and activities for you to enjoy as well as some performances from our children to entertain you. Please ensure you bring small change (we don't take card!). If anything, make sure you have a go at 'Soak The Headteacher' as this will be the last chance to throw a sponge at Mr Lidgley before he retires at the end of the year.

Many thanks to all the local companies who have kindly sponsored prizes for the 'Grand Prize Draw'. Please look out for Mr Hopper and Mrs Wilson walking around selling tickets for this. It will be £1 per ticket with some incredible prizes up for grabs:

- Nigel Carson Soccer School—1 x child place for 1 full week of Summer Holiday Club
- Crown Spa Health Club—2x 1 month Health Club Membership
- Crown Spa Hotel—Afternoon Tea for two (with prosecco)

Please
remember

to park SAFELY!
Put child safety before your convenience

Parking Around School

To keep all our children and families safe walking into and out of school, we ask parents and carers, grandparents, taxi drivers etc, to park safely and responsibly. This means not parking on the zig-zags or the double yellow lines outside of school.

While **Blue Badge Holders** are able to park on double yellow lines, we ask that you do so with consideration, in a safe place. Cars parked on the double yellow lines opposite the EYFS/KS1 entrance to school cause a blind spot for families crossing the road, which puts lives in danger.

Please see the guidance below:

Safe and responsible parking

The Blue Badge is not a licence to park anywhere. If you park where it would cause an obstruction or danger to other road users you could be fined or receive a Penalty Charge Notice or have your vehicle removed.

Do not park where it would endanger, inconvenience or obstruct pedestrians or other road users. Examples of dangerous or obstructive parking include the following, although there are others:

- school entrances, bus stops, on a bend, or near the brow of a hill or hump bridge
- parking opposite or within 10 metres (32 feet) of a junction, except in an authorised parking space
- where it would make the road narrow, such as by a traffic island or roadworks
- where it would hold up traffic, such as in narrow stretches of road or blocking vehicle entrances
- where emergency vehicles stop or go in and out, such as hospital entrances
- where the kerb has been lowered or the road raised to help wheelchair users on a pavement, unless signs permit it

Thank you for your safe and considerate parking.

Please ensure that any monies owed for breakfast club, after school club, dinner money or any other items are fully paid for on Parentpay before the end of term so that your balance is clear for the end of this academic year.

Many Thanks

Summer Reading Challenge 2022

GADGETEERS

Presented by The Reading Agency. Delivered in partnership with libraries.

Children are invited to discover the amazing science & innovation behind the world around them as part of this year's Summer Reading Challenge with the theme Gadgeteers.

North Yorkshire libraries and the Reading Agency is running the challenge for children aged 4 to 11, encouraging them to read six library books over the summer holiday period.

Gadgeteers aims to show children that science is all around them, and helps them with whatever they love doing.

To take part children need to sign up at their nearest library where they will be given a colourful fold out poster showing the setting for this year's Challenge - an imaginary community centre.

As they read their chosen books, they will receive stickers (some scratch & sniff!) and can use them to help the Gadgeteers come up with great inventions for an amazing summer party at the centre. There are more free incentives to collect along the way and those who complete the Challenge will receive a medal and a certificate to celebrate their achievement.

Children can choose from a vast range of books at the library or download them as an eBook from the catalogue. There are loads of fantastic new books about science and inventions but they can choose any six library books to count towards the challenge.

There will also be lots of great events in our libraries throughout the summer, including junk modelling, Lego sessions, science workshops, art and craft sessions, storytelling and theatre performances to name but a few! Look out for more details in libraries, on local library Facebook pages and on flyers coming home via schools.

The Challenge starts on Saturday 16th July and finishes on Saturday 10th September

Changeable Weather

As the weather is very changeable at the moment, please ensure your child is dressed appropriately. e.g sun cream and sun hat or raincoat as necessary.

Contact Details

Please could you make sure that school are kept up to date with any changes in address / phone number / e-mail so we have your current details on our system.

Many Thanks
