

Comparison of Data – End of Key Stage One

A note from OFSTED...

Performance Data for 2022 should not be directly compared with 2019 and earlier. Nor should comparisons be made between schools. This is because schools may have been affected differently by Covid-19.

However, for the purposes of monitoring school performance, 2018-2019 data is within this report.

Scores in brackets are national data.
